COMPANY OVERVIEW

Founded in 2001 in Shenzhen with registered capital of 106 million Yuan, and the annual revenue was 600 million in 2022. Two manufacturing plants are located in Shenzhen and Huizhou, with 460+ front-line workers and managerial staff, as well as 50+ R&D and Quality personal. The company has been operating business steadily in faucet products and bathroom accessories for more than 20 years. Our clients include large retailers, local importers, and national brand holders.

We actively develop new materials and new technology and are committed to refresh the industry benchmark. Our vision is to provide customers the best product at reasonable price. For many years, SENYONGFA has won the commendation of Integrity Unit and Special Contribution Award for environmental protection. We keep efforts on this way.
